### Additional equipment

**The SOLAS Approved Lifebuoy 2,5 kg (520J201)** is a premium lifebuoy with a floating capacity for 2 people. Its soft foam core and vinyl clothing, with easy to grip vinyl lines makes it ideal for saving lives in the water. The SOLAS (Safety of life at sea) Convention in its successive forms is generally regarded as the most important of all international treaties concerning the safety of merchant ships.

**The SOLAS approved Rescue line 30 meters (5200405)** is placed across the inner dimensions of the SOLAS Approved Lifebuoy and fastened with a loop around one side of the Lifebuoy. This is crucial for saving people on a greater distance and getting them back to safety while enabling the rescuer to keep a safe distance from the distressed.
